### RESPECT LIFE MESSAGE

"Abortion is more than an issue. Abortion is murder. Abortion, without hinting: whoever performs an abortion kills. You take any embryology textbook of those students that study in medical school. At the third week of conception, at the third, many times before the mother notices, all the organs are already there. All of them. Even the DNA. [...] It's a human life, period. This human life must be respected. This principle is so clear. And to those who can't understand it I would ask two questions: Is it right, is it fair, to kill a human life to solve a problem? Scientifically it is a human life. Second question: Is it right to hire a hitman to solve a problem?" - - Pope Francis during a press conference, September 15, 2021

Let us pray for our troops: Senior Engineer Joshua Bobrowski, Senior Airman Aaron McLellan, Pvt. Roger Davis, Sgt. Patrick Murphy, Lance Cpl. Gene Coleman, Armando Rodriguez, Gabriel de Jesus, Maj. ### RELIGIOUS ED NEWS

Adults thinking about joining the Catholic Church and Adult Catholics needing First Communion or Confirmation, please join us on Sundays at 12:15pm in the library.

### WILL YOU LEAD SOMEONE TO OUR FAITH?

The amount of news coverage relating to the election of the first North American pope has seemed to generate a lot of interest in our faith. One never knows when a non-Catholic might ask a practicing Catholic for information that might lead them to convert. That is a good reason to stay informed and be ready to answer those questions. One way to stay informed is by reading books that give us a deeper understanding of our faith. Jim Shaw is a parishioner who wants to meet with other men who might enjoy the same kind of fellowship and dialogue found by the women in the Ladies of Grace Book Club. Please consider joining Jim on Tuesdays at 9:30am to talk about books that might help you spread the faith. He will be waiting at St. Mary's building. Lord, be in my mind, on my lips and in my heart. May the story of Jesus be known throughout the world.

**MENSAJE DE RESPETO A LA VIDA**

El aborto es más que un problema. Es un asesinato. Aborto, sin insinuaciones: quien lo realiza mata. Basta con leer cualquier libro de texto de embriología de los estudiantes de medicina. En la tercera semana de concepción, en la tercera, muchas veces antes de que la madre se dé cuenta, todos los órganos ya están ahí. Todos. Incluso el ADN. [...] Es una vida humana, y punto. Esta vida humana debe ser respetada. Este principio es muy claro. Y a quienes no lo entienden, les haría dos preguntas: ¿Es correcto, es justo, matar una vida humana para resolver un problema? Científicamente, es una vida humana. Segunda pregunta: ¿Es correcto contratar a un sicario para resolver un problema? — Papa Francisco en una conferencia de prensa, 15 de septiembre de 2021
